"Proud American"

I'm proud to be an American, and a citizen of the world.

I'm proud of my humanitarian efforts, within my own parameters.

I live in a 7 bedroom house, with my choice of bathrooms,

I'm proud to be an American.

I'm happy for what I have access to, and have sympathy for those who don't have the resources, that I take for granted.

I am proud to be an American.

I served my country, sometimes in countries that had no resources.

I am proud to be an American, I served my country, sometimes in countries, where I ate Smoked Salmon, for my lunch, While sipping bottled mineral water, with lime.

What can I do? I live in America, and the refugee's of my country, are in the inner cities.

I'm proud to be an American.
